CHINKIANG.

December, 16th 1889.

His Excellency Chang Chih-tung passed through Chinkiang on his way up the river on Saturday. The *Kiangwan* remained at the bulk all day to allow the Viceroy to go ashore and visit Golden Island and other places. The Chinese officials paid their respects, but Chang was so busy that he could not appoint a time to receive the Consuls. The steamer was not allowed to discharge cargo until 9 a.m. on Saturday, for fear of disturbing the great man's repose. The departure for Nanking was not made until eight, when, amid the rattling and banging of musketry and cannon, the *Kiangwan* left the bulk. One of the Chinese men-of-war at Kwachow accompanying the party "dressed ship" and enough powder was wasted to keep the rice kitchen open a good while. It was a *brava* event, as your Chinese (?) correspondent from this port would express it.

There is considerable suffering among the poor in this district, but the wheat and bean harvests were plentiful this year, and this will keep the farmers alive until spring. Great numbers of refugees have been passing through Chinkiang for more than a month. The rice kitchen will probably be opened on the feast of the winter solstice. Two ghastly murders have recently been committed among the Chinese which shows the existence of desperate robbers in the vicinity.

The buildings which the rioters burnt a year ago are being rapidly replaced by new ones. Work has begun on the new English Consulate, but owing to some cause it will not be ready for occupancy until 1891. The Consul is at present quartered in the large house on the bank belonging to Mr. Duff. He has already gained the respect and confidence of foreigners dwelling in these uttermost parts of the earth.—S. L. W. in *the Daily News*.

THE Hongkong Branch of THE HALL & HOLTZ CO-OPERATIVE CO., LD., has been formed into a separate Company with the above title. This business was acquired in August, 1888, as a going concern, by THE HALL & HOLTZ CO-OPERATIVE CO., LD., (the present Vendors) and has since then been under able management, progressed so satisfactorily in increasing its sales and extending the scope of its several departments, that the Vendors, although confident that further development will result in an increasingly profitable trade, find that they are unable to supply the required capital, as their Articles of Association do not permit them to borrow by way of mortgage, nor can they increase their Capital for the purposes of business in Hongkong.

The Vendors have therefore agreed to sell to the Hongkong Trading Company, Limited, the Hongkong business, in consideration of the sum of \$400,000 for the goodwill and certain advantages with regard to special agencies for the Vendors, Home buying, &c.

The Stock-in-trade, Fixtures, Household Furniture, etc., will be taken over by the Company at cost valuation (as per stock books) on December 31st, 1889, and the Book Debts arising from all known bad debts will be also taken over, less a deduction of 5 per cent.

Satisfactory arrangements have been made for a much-needed enlargement and improvement of the present premises, and the refusal of a lease for 3 or 5 years at the Company's option has been secured.

The following are the principal departments, as at present carried on, viz:

Household & General Stores, Wines & Spirits, Empire Brewery Products, (Sole Agencies), Furniture Factory, etc.

Gentlemen's Outfitting and Tailoring, Drapery, Millinery & Dressmaking, Ladies & Children's Outfitting, &c., &c. Goods, Furnishings, General Upholstery, House Painting and Decorating.

It is proposed to add a Furniture Factory, and such other branches of trade as from time to time may be considered advisable.

The Vendors will bear the whole cost of the preliminary and other expenses attending the formation of the Company, up to the date of allotment.

Applications for Shares (accompanied by a deposit of \$5 per share) must be made on a printed form, and forwarded to the Company's Bankers; should no allotment be made the deposit will be returned in full, and in case the number of shares allotted is less than that applied for, the surplus deposit will be appropriated towards the sum due on allotment.

Application Forms may be obtained at the Office of the Company's Bankers in Hongkong, Shanghai, and Coast Ports.

The list will be closed in all these places on the 30th December, 1889.

Hongkong, 16th December, 1889. [1590]

## Insurances.

## EXAMPLES OF THE COST OF ASSURANCE OF A MAN AGED 30 NEXT BIRTHDAY.

STG. payable at death, would cost at the rate of:—

£1,000 £6 18 0 per quarter (a) If premiums are payable for whole of life

or £9 11 6 " (b) If premiums are limited to 20 years

or £11 4 6 " (c) If premiums are limited to 15 years

or £13 0 0 " (d) If the Sum Assured is made payable at age 50, or at death if previous.

AFTER being three years in force, each year's payment of premium secures a proportionate part of Sum Assured as explained in Prospectus. For instance: after five years a man Assured under plan d would be entitled to a Free Paid-up Policy for 1/20th of Sum Assured, viz., £250, should he wish to discontinue future payments.

The same provisions if commenced at age 40 n. b. would cost respectively (a) £8.15.0, (b) £11.5.0, (c) £13.24, (d) £27.0.3 per quarter.

Note.—It is an advantage to effect Provisions of this nature early in life. By delay the rate of subscription increases; Death may occur before the Provision is effected, or Health may fall and render the life ineligible for Assurance.
